TO: LIBRARY BOARD OF TRUSTEES
DOUGLAS COUNTY, NEVADA

Dear Board Members,

I would like to provide you with feedback regarding my observations and encounters with Library Director, Timothy DeGhelder. I have extensive experience working in libraries including an academic library, a county library and a school library. I served on the Douglas County Friends of the Library Board for over 20 years. I have been a library volunteer at the Minden Library since 2016. I am currently a member of the FOL Book Sale Committee. I have been using the Douglas County Library since 1979. With that being said, I have witnessed how the Douglas County Library has evolved.

Over the past year, Mr. DeGhelder has done a remarkable job of pulling the library back together and leading the way to its current state of thriving. He is enthusiastic, positive and motivated. His influence and direction has had the result of motivating the staff as well. He seems to be able to bring out the best in the library employees by utilizing their unique talents. Mr. DeGhelder is actively engaged in learning more about the community and in networking with other community organizations and agencies.

The library seems to be busier than ever with more programs than I have ever seen. I applaud his efforts at installing Little Free Libraries and in expanding the bookmobile schedule to reach underserved areas.

I was most impressed with how he orchestrated the monumental task of moving the entire library this year for the flooring project. This was an enormous accomplishment that required careful planning and execution.

His efforts working at the FOL Book Sales were greatly appreciated. He seems willing to do whatever needs to be done.

I feel that Mr. DeGhelder has exceeded expectations in all areas and that he demonstrates the qualities of a successful library director in Douglas County as spelled out in Appendix A of the Moss Adams Report 9/22/21 which include being a Unifier, Community Oriented, Collaborative and Data Driven.

Douglas County is fortunate to have Mr. DeGhelder as our Library Director. His vast experience and work ethic has served us well. It is a pleasure to work with Mr. DeGhelder.

I apologize for not being able to attend your May 23, 2023 meeting. I am hoping that my comments can be read into the minutes.

Thank you.

Sincerely,

Dianne Deadrich

Agenda Item 10: Annual Performance Evaluation of Library Director, Timothy DeGhelder

I would like to commend Tim DeGhelder for the outstanding work he has done during his first year as Director of the Douglas County Public Library. Since his first day on the job, - June 13, 2022 - Tim has worked diligently to promote the library in the community and get the library back on track after the many challenges of 2020, 2021, and 2022. He is an active member of the Minden Rotary, a participant in the 2023 Leadership Douglas County class, and has been the invited guest speaker for a number of local organizations. Significant accomplishments include bringing volunteers back to the library, restoring a positive, working relationship with the Friends of the Douglas County Library, refurbishing the library with new carpeting and flooring, and creating the teen room at the Minden Library.

Timothy DeGhelder- 2022 to 2023 (Evaluation)

Please note: Each item on this list is very important and could take a full page summary for each item. I have simply created a shorter list of things that needed to be accomplished.

I was asked by the library board to create goals for the first 90 days.

What follows the 90 day list are some of the things that I thought were meaningful to a successful public library.

Library Director- Start date June 13, 2022.

Library Board Relationships

Board responsibilities- support and develop long term goals and acknowledge status reports and give feedback. Done through normal monthly board meetings. (Director and staff work day to day responsibilities) There will be times when we present to the board ideas and new services that might require board approval or simply giving the board knowledge.

Library Director and Board- Develop relationship (executive team)

Normal Communication- email is a good standard- (I would like a short update every two weeks) Just an email to give a snapshot of any fun events or happenings. Library newsletters and Social Media- see what our customers are getting. (Of course if any situation arises that need attention- the board will be immediately informed by email and a text to board members phone)

Other needs-

First 90 Days-

- Become familiar with Library Handbook and Trustee Manual- (read cover to cover)
- Become familiar with budgeting software, New World Systems- (visited finance office and had some instruction)

- Become familiar with timesheet software, Esuite- (use on a weekly basis)
- Become familiar with NeoGov software- (used for job posting, training, evaluations and volunteers)
- Create posting for Youth Supervisor- try for hiring in August- (we did our final interview on September 21)
- Start weekly supervisor staff meetings- (started in July)
- Start monthly staff meetings- (started in July)
- Meet with each staff member (discuss job details)- I have been doing this when working on projects with staff.
- Become familiar with webpage layout- (complete and we are making a few changes)
- Become familiar with digital products- (complete we are currently keeping our products and will review them in 2023)
- Leadership Program- 2023 (open in January 2023)
- Become familiar with layout of Lake Location- (I have visited and talked with Vanna on many occasions.)
- Go to Chamber events- (I normally go to coffee, lunch and one special event per month. I am also an ambassador- so I attend special meetings.)
- Attend Kiwanis- (I am doing more in Rotary at this time.)
- Learn layout of branch location- where things are (Minden)
- Become familiar with Book Mobile- (I have ridden the book mobile twice and helped with the new scheduling.)
- Look at current social media sites for the library- (We have added Tik Tok and YouTube. We are currently adding at least two new videos per week. We are also getting organized so we have enough time to promote all of our programming on-line different platforms.)
- Attend Rotary twice a month. (I have been attending every week. I also volunteered for the golf tournament. I am learning more about how the Rotary makes a difference in the community with our first round of grant funding.)
- Become a county-wide volunteer so I can help out at events. (I have done this and I will work the Candy Dance. I also worked four days at the Friends book sale. I also worked the Rotary Golf tournament. I will also work the job fair in October.)

- Develop a positive relationship with the Friends of the Library (FOL). (I have attended all the meetings and brought the FOL back to the Minden location.)
- Help support fund raising activities with FOL- (I go to the meetings and work events. I drove the U-Haul truck and stacked books. We worked side by side and the FOL witnessed me talking to all of the customers. I role modeled how important the library is to our community.)
- Look at marketing efforts and who is being reached- (this is work in progress. We added our first email blast, when promoting the Tiny Art Show and the Friends Book Sale.)
- Look at Minden Branch location- get input on building needs (needs a good remodeling, with more space)
- Attend Department Head biweekly meetings (I currently go to the county meetings)
- Look for ways to coach and encourage staff- (On the spot) Some fun games. (helps keep a relaxed environment) Morale ideas
- Create a grant portal for the state and see what is available for Douglas County (currently complete and will be applying for three grants)
- Develop with staff- norms for evaluation of staff members (working with HR, there will be a quick seminar with supervisors)
- Plan new library director open house event (ready to go Nov. 4th)
- Learn county staff and departments and how to share information (work in progress)
- Flood damage replacement materials (books from insurance)(The check has cleared and it will be added to the budget in October)
- Money for carpet and shelves (layout) two budget cycles (we have three bids and we are looking at carpet)
- Understand the County Strategic Plan (evaluations involved learning how to evaluate using county goals)

Statement of Impact

The DCPL is extending its Summer Reading Program (SRP) outreach, within the community, to reach a minimum of 2,000 individual. Special programming related to SRP will be run in conjunction with county partners.
