OFFICE OF THE DISTRICT ATTORNEY DOUGLAS COUNTY

Mark B. Jackson
District Attorney

TO: Douglas County Political Candidates

FROM: Mark B. Jackson, District Attorney

DATE: October 30, 2023

RE: Campaign Signs ~ 2024 election year

The purpose of this memorandum is to provide a brief synopsis of some pertinent laws related to the content, placement, timing and removal of political/campaign signs. Candidates for public office should familiarize themselves with all state laws and county ordinances related to campaign signs. Douglas County Code (DCC) Chapter 20.696 contains the requirements for political (hereafter “campaign”) signs. Please note the different rules for placement of campaign signs depends on whether the private property is adjacent to a state highway.

Content of Campaign Signs, Brochures, Statements & Publications

- A candidate shall not use the term “reelect” in any material, statement or publication (e.g., campaign signs) unless the candidate was elected at the most recent election to fill that same office and is serving and has served continuously in that office from the beginning of the term to which the candidate was elected. NRS 294A.330.
- A candidate shall not imply that he/she is the incumbent in office in any material, statement or publication supporting the candidate unless the candidate is qualified to use the term “reelect” or the candidate was appointed to the identical office after the most recent election to fill that office and is serving and has served continuously in that office since the date of appointment. NRS 294A.340.
- The Attorney General’s Office recommends that candidates who are not incumbents to the identical office should use the words “elect” or “for” in campaign materials so as to avoid the implication that the candidate is an incumbent. Two proper examples are “**E**lect Jane Doe, District Judge” and “Jane Doe **f**or District Judge.” *Nevada Attorney General Opinion 98-19* (June 18, 1998).

Placement of Campaign Signs on Private Property NOT Adjacent to a State Highway

- A permit from Douglas County is not required to post campaign signs or signs designed for the purpose of advertising support for, or against, any candidate for political office or proposition. DCC 20.696.100(J).
- Although there is a deadline when political signs must be removed (see below), there is no restriction on when campaign signs may begin to be posted on private property that is not adjacent to a state highway.

Placement of Campaign Signs on Private Property Adjacent to a State Highway

- Campaign signs concerning a candidate, party or question for the primary or ensuing general election may not be erected on private property that is adjacent to a state highway more than 60 days before a primary election if the sign concerns a candidate, party or question for that primary or the ensuing general election. NRS 410.400(4)(a).
- Campaign signs adjacent to and within 660 feet of any Nevada Highway System highway must meet federal spacing, size, zoning and lighting requirements. A permit may be required from NDOT and the sign must comply with NDOT regulations.
- It is unlawful to place, erect or attach a campaign sign within any right-of-way of any state highway or road which is owned or controlled by the Department of Transportation, including fencing along the right-of-way. NRS 405.030(1)(a) and NAC 410.440(3).
- Attached are maps showing the NDOT rights-of-way within Douglas County. The main NDOT state owned or controlled routes are highways 50 and 395, as well as state routes 28, 88, 206, 207, 208, 756, 757, 759, and 760.
- It is unlawful to place, erect or attach a campaign sign within 20 feet of the main-traveled way of any unimproved highway. NRS 405.030(1)(b).
- It is unlawful to place, erect or attach a campaign sign on the property of another within the view of any such highway unless the candidate first obtains the property owner's written consent. NRS 405.030(1)(c).

Other Rules Regarding Placement of Campaign Signs

- It is unlawful to place or attach a campaign sign on a public utility pole. NRS 704.638.
- Campaign signs must not be attached or placed adjacent to any traffic signal post, traffic signal, historical marker or any other official traffic control device. DCC 20.696.200(B).
- Campaign signs cannot be placed, erected or attached so as to obstruct clear vision of an intersecting roadway or otherwise situated as to constitute a hazard upon or prevent the safe use of the roadway. NRS 405.110(1)(d); DCC 20.696.200(G) and 20.696.230.
- Campaign signs must not distract drivers and cannot resemble official traffic signs. DCC 20.696.200(A).
- Campaign signs must not be attached or placed on trees or shrubs. DCC 20.696.200(C).
- Campaign signs are prohibited on public or private property without the permission of the owner. DCC 20.696.200(D). Public property often includes sidewalks and some minimum clearance distance on either side of a street or road.
- Campaign signs are prohibited within any stream, drainage facility or channel. DCC 20.696.200(O).
- Political banners, pennants or pinwheels are prohibited, unless a temporary use permit is obtained from Douglas County. DCC 20.696.200(K) and DCC 20.620.050(G).

Removal of Campaign Signs

- While state law (NRS 410.400(4)(b)) requires that campaign signs must be removed within 30 days after the election, Douglas County places a shorter time period on candidates for the removal of campaign signs. Douglas County Code 20.696.250(A) requires candidates to remove all campaign signs within seven days after any election; provided, however, that any candidate successful in any primary election, and who is opposed in the general election, must remove the campaign signs within seven days after the general election.
- The candidate whose name appears on the campaign sign is presumed to be responsible for the removal of the sign. DCC 20.696.250(B).

Campaign signs placed, erected or attached in violation of state law are a public nuisance and may be removed forthwith by NDOT employees or Douglas County Code Enforcement.

No political sign can be placed within state highway rights-of-way.

As you conduct your campaign for public office, please keep in mind that it is illegal to place signs within the right-of-way of state highways. State highways include not only the well numbered rural routes, but also many county roads and city streets. The provisions of Nevada Revised Statute 405.020, 405.030 and 405.110 and Nevada Administrative Code 410.440, prevent the placement of any advertising signs, including political signs, within state highway right-of-way or roads, which are owned or controlled by the Nevada Department of Transportation (NDOT). In addition, the federal and state "Highway Beautification Acts" limit the placement of any sign on private property if that sign is located within 660 feet of a National Highway System (NHS) route. NHS routes include all freeways, interstates, expressways, most U.S. routes and some state routes including several city streets (see maps).

NDOT has previously published several notices regarding the erection of political signs. This pamphlet is intended to summarize NDOT's enforcement of the laws on political signs and supplements the more detailed regulation. The term "political sign" includes any temporary or portable display or device advertising for or against a candidate for public office or a political party or political point of view.

Rules for state highways:

No signs are permitted in the state highway right-of-way. This includes the right-of-way along freeways, interstates, expressways, highways, and many city streets. NDOT's right of way in urban areas often includes any sidewalks and some clear distance on either side of the street.

NDOT employees will remove signs erected in the highway right-of-way and usually take them to the nearest maintenance station. In most cases, owners of the sign or their representatives can drop by the station to get their signs. NDOT will try to remove the signs so as not to damage them. Removed signs will be retained for 30 days and then disposed of.

If you have a question about the right-of-way for state highways, please call the nearest NDOT district office. In Clark County call the District I Office in Las Vegas at (702) 385-6540, in Tonopah call (775) 482-2300, in northwestern Nevada call the District II Office in Sparks at (775) 834-8300, in Winnemucca call (775) 623-8000, in northeastern Nevada call the District III Office in Elko at (775) 777-2700, and in Ely call (775) 289-1700.

Additional rules for the National Highway System:

Political signs adjacent to and within 660 feet of any NHS highway must meet federal spacing, size, zoning, and lighting requirements and a permit must be obtained from the appropriate NDOT District Office, except as noted below. A non-refundable fee of \$200.00 will be charged for this permit. The following highways are part of the NHS and are under federal and state regulation: IR-11, IR-15, IR-215, IR-515, IR-80, IR-580, U.S. 6, U.S. 50, U.S. 50A, U.S. 03BUS, U.S. 93, U.S. 95, U.S. 95A, U.S. 395, U.S. 395ALT, SR 88, SR 146, SR 147, SR 159, SR 160, SR 163, SR 172, SR 173, SR 225, SR 289, SR 318, SR 360, SR 376, SR 430, SR 439, SR 445, SR 535, SR 564, SR 573, SR 582, SR 589, SR 593, SR 595, SR 599, RM10004, RM11322, SR 612, SR 613, SR 647, SR 648, SR 653, SR 659, SR 667, SR 673, SR 720, William St. (FRCC11), Eastern Ave./Civic Center (FRCL53), Lake Mead Blvd. (FRCL57), E. Political signs erected on private property that is adjacent to a state highway may be erected no more than 60 days before a primary election and must be removed within 30 days after the primary election. Signs for candidates or questions appearing on the general election ballot do not have to be removed until 30 days after the general election.

A permit is not required for small political signs (4' x 8' or smaller) that are placed on private property near the NHS.

General Rules:

The following rules apply to all signs located near state highway right of way including NHS routes:

Political signs must not distract drivers. The sign cannot resemble official traffic signs.

The sign cannot block view of on-coming traffic.

Apart from state requirements, local governmental agencies can and do have varying criteria regarding placement of political signs on city and county roads. These local restrictions vary greatly among the various entities and must be checked locally.
