

Our Philosophy

We believe at Stepping Stone Pre-K every child is unique in their own way. Our job is to create a fun interactive learning environment for your child to build the skills they'll need to become a successful Kindergartener.

We want to be the first step in your child's educational future.

Our Program

Stepping Stone Pre-K focuses on teaching the skills children need to become a successful Kindergartener.

We follow the Nevada Pre-Kindergarten Standards for our curriculum. Lesson plans are created weekly and include math, shapes, colors, phonics, writing, reading, Social Studies, Social Emotional, Science, creative expression, physical development, health, and safety, and learning through play. We also take walking field trips, have special visits with our senior friends, themed parties, and birthday celebrations.
