Agreement

between

Douglas County

and the

Douglas County Sheriff's Protective Association

2022 - 2024

ARTICLE 1. PARTIES

This agreement is entered into this 1st day of July, 2022, (the "Agreement") by and between the County of Douglas ("County" or "Management"), and the Douglas County Sheriff's Protective Association ("Association" or "DCSPA").

ARTICLE 2. TERM OF AGREEMENT

- A. The term of this Agreement will commence effective July 1, 2022 and end on June 30, 2024.
- B. This Agreement will remain in full force and effect during any subsequent labor negotiations between the Association and the County.
- C. Notwithstanding any other provision of this Agreement and Article 2, after June 30, 2024, no increase in salaries, wages, or other monetary benefits, except step movement and longevity will occur or be paid by the County to any employee represented by the Association until a successor labor agreement is executed by the Association and the County. However the County, as an employer paying on behalf of an employee, is required by Nevada's Public Employees' Retirement System ("PERS") to pay contribution rates per NRS 286.421 which may result in reductions in employee's salaries.

ARTICLE 3. AUTHORIZED AGENTS

For the purpose of administering the terms and provisions of this Agreement, the following agents have been designated:

- A. **County's Principal Authorized Agent Shall Be:**
County Manager

Douglas County
P.O. Box 218
Minden, Nevada 89423

- B. Association Principal Authorized Agent Shall Be:**
President
Douglas County Sheriffs' Protective Association
P.O. Box 1153
Minden, Nevada 89423

ARTICLE 4. RECOGNITION

A. Collective Bargaining Agent

The County recognizes the Association as the sole collective bargaining agent for all regularly budgeted employees of the County within job classifications covered by this Agreement who are presently employed and subsequently hired by the County at its location in Nevada.

B. Negotiating Team

The size of the respective bargaining teams for contract negotiations shall be no more than seven (7) members. The seven (7) members shall not include the chief negotiator for either party or any professionals hired by either the County or the Association. In addition, either party may, with prior notice to the other party, bring an additional member with special skills or information to the negotiation session.

ARTICLE 5. ASSOCIATION RIGHTS

A. Bulletin Boards.

The County will furnish bulletin board space where currently available. Only areas designated by the Sheriff or his designee may be used for the posting of notices. Bulletin boards shall only be used for the following notices:

1. Scheduled DCSPA meeting, agenda, and minutes.
2. Information on DCSPA elections and the results.
3. Information regarding DCSPA social, recreational, and related news bulletins.
4. Reports of official business of DCSPA, including reports of committees or the Board of Directors.

Posted notices shall not be obscene, defamatory, or relate to political office, ballot issues or proposed ballot issues or the ballot process, nor shall they pertain to public issues which do not include the County or its relations with members of the Association. All notices to be posted must be dated and signed by an authorized representative of DCSPA. County equipment, materials, supplies, or interdepartmental mail systems shall

not be used for the preparation, reproduction, or distribution of notices, except as specifically allowed below, nor shall such notices be prepared by County employees during their regular working time.

B. Interdepartmental Mail System.

County agrees to allow limited use of the County's interdepartmental mail system and the County's e-mail system to the Association. Such use shall not include mass mailings of materials not suitable for posting under Section A. All use of the County e-mail system is subject to the County's internet and e-mail policy, including the provision that there is no reasonable expectation of privacy for messages placed on the system, and that all messages are subject to applicable provisions under the Nevada Public Records Law.

C. Use of County Copy Machines.

County agrees the Association may use County copy machines provided the following conditions are met:

1. DCSPA will promptly notify the County of the number of copies made and reimburse County for the cost of the copies.
2. All copying will not be done during the employee's work hours (i.e., not during County time when the employee is receiving compensation).
3. DCSPA use of copying facilities must not interfere with use of such facilities for County business.

D. Dues Deductions.

The parties agree that the County will provide payroll deduction to the Association on the following terms:

1. *Authorization.*

The County shall deduct dues from the salaries of Association members and remit the total deductions to the designated Association officer(s) on a monthly basis. However, no deductions shall be made except in accordance with a deduction authorization form individually and voluntarily executed by the employee for whom the deduction is made. Regardless of when the authorization form is executed, it is understood and agreed the County will not deduct dues for any period of time prior to the employee's first day of employment with the County. The deduction authorization form must specify any Association restriction on the employee's right to terminate his/her dues deduction authorization. The stated restriction must not require the employee to remain a member or continue dues deductions beyond the end of the calendar month of the employee's action to terminate such status.

2. *Amount of Dues.*

The Association shall certify to the County in writing the current rate of membership dues. The Association will notify the County of any change in the rate of membership dues at least sixty (60) days prior to the effective date of such change.

3. *Indemnification.*

The Association shall indemnify and hold the County harmless against any and all claims, demands, suits and all other forms of liability or costs which shall arise out of or by reason of any action taken, or not taken, by the County under the provisions of this Article or through the proper execution of this Article.

4. *Paid Release Time.*

The County will create an “Hours Code” in the County’s eSuite HR Portal or time sheet for Association Representatives to account for any Paid Release Time utilized by an Association Representative to perform duties for, or providing services to, the Association (“Association Business”).

a. An accurate time entry must be used by each employee in the eSuite HR Portal or time sheet for any time used for Association Business. The Association agrees to reimburse the County for any compensation paid by the County to an Association Representative to conduct Association Business. Paid release time will only be used in place of regularly scheduled hours and not in addition to an employee’s regular work schedule.

b. At the Association’s request, the County agrees to promptly provide a summary of all Association Business reported on time sheets to the Association. The Association promises and agrees to pay the required reimbursement amount to the County within 30 days of receiving any summary of Paid Release Time from the County and requesting payment.

c. Instead of making a reimbursement to the County, the Association may request that the County deduct the amount due to the County from an existing credit granted to the Association by the County. Any unused credit at the end of the fiscal year will be rolled over to the next fiscal year.

ARTICLE 6. MANAGEMENT RIGHTS AND RESPONSIBILITIES

County retains, solely and exclusively, all the rights, powers and authority exercised or held prior to the execution of this Agreement, except as expressly limited by specific provision of this

Agreement. It is the ultimate right and responsibility of the County to manage its operation in the most efficient manner consistent with the best interests of all its citizens, its taxpayers and its employees. 12. To classify positions;
13. To establish initial salaries of new classifications;
14. To determine the methods, processes, means and places of providing services; and
15. To take whatever action necessary to prepare for and operate in an emergency.

Should the County desire to make a substantial change on an item within the mandatory scope of bargaining causing a major impact on unit employees, it shall first offer to meet and consult with the Association in an effort to reach a mutually agreeable course of action.

ARTICLE 7. SALARIES

A. Salary.

1. The salary schedules for the represented classifications are set forth in Appendix "A" to this Agreement. Effective the first full pay period following approval of this Agreement by the Board of County Commissioners pursuant to NRS 288.153(1), each employee will be placed in the lowest salary step which is at least five percent (5%) above the employee's current base rate. The new wage must not exceed the highest step of the employee's classification. The salary schedules are subject to change during the term

of the Agreement as a result of the changes to the Cost of Living Adjustment as described in section B and the retirement contribution rate described in section D.

2. The County's job classification plan contains Association positions that fall within job "bands." Job band for the Association is Deputy Sheriff I to Deputy Sheriff II. Employees may advance from Deputy Sheriff I to Deputy Sheriff II at any time if the employee's supervisor has determined that the employee has acquired the necessary skills and abilities of Deputy Sheriff II. Each position's required skills and abilities are detailed in the County's job descriptions.

3. Upon progression from Deputy Sheriff I, the employee shall be placed at the lowest step of Deputy Sheriff II which is at least 5% above the employee's current wage. The new wage must not exceed the maximum salary step for Deputy Sheriff II.

4. If the progression to Deputy Sheriff II occurs at the time of the employee's annual performance evaluation, then the increase associated with the job progression will occur after the step adjustment.

5. Progression within a job band is not subject to the rules for probation under Article 18.

B. Cost of Living Adjustment

1. A cost of living adjustment will be made to each employee's pay rate and salary range the first pay period of each fiscal year ("COLA").

2. The COLA will be equal to the annual change in CPI (Consumer Price Index) for All Urban Consumers (CPI-U) according to the Bureau of Labor Statistics, (Series ID: CUUR0400AA0), from December to December of each calendar year. This cost-of-living adjustment will be no less than 0% and no more than 6%, regardless of whether the actual change in the CPI is lower or higher than these caps.

3. For fiscal year 2022-2023 the COLA is already incorporated into Appendix "A" attached hereto and no additional COLA will be made for that fiscal year.

4. For fiscal year 2023-2024 the COLA is already incorporated into Appendix "A" attached hereto and no additional COLA will be made for that fiscal year.

C. Annual Performance Evaluations and Step Progression.

1. All employees covered by this Agreement will receive annual performance evaluations. A copy of this written annual performance evaluation will be kept in the employee's personnel file in the County's Human Resources Department. The performance evaluation may be used when considering any employment action. The County establishes work performance standards which incorporate applicable safety standards, and the content of the work performance standards. The establishment of those work performance standards and the individual performance evaluation ratings

assigned to individual employees are reserved to the County and are not subject to the grievance and arbitration provisions of this Agreement.

2. If an employee receives a “meets expectations” or better performance evaluation rating, an employee shall receive an increase of one-step on the first day of the pay period in which the anniversary of the date the employee was hired or received a promotion, whichever is later, occurs. If the employee receives a score below “meets expectation” on their performance evaluation, the employee will not receive a step increase. A rating which results in a denial of step increase will be appealable up the employee’s chain of command up to the rank of Undersheriff. An employee who is already at the highest salary step will not receive a step increase, regardless of performance evaluation rating. Effective the first full pay period following approval of this Agreement by the Board of County Commissioners pursuant to NRS 288.153 (1) or 288.215 (12), employees whose anniversary occurred during fiscal year 2022-23 but prior to approval of this Agreement by the Board of County Commissioners pursuant to NRS 288.153 (1) or 288.215 (12), and who would have otherwise progressed one step on their anniversary, will be placed in the steps in accordance with section A, and then will receive the step increase effective on his or her anniversary date. This action will not revise the employee’s anniversary date.

3. In addition to the salary step progression under section 2, above, each employee will be advanced one salary step effective the first full pay period of July 1, 2023, as an equity adjustment.

D. Public Employment Retirement (PERS) Contributions

1. If PERS or the Nevada State Legislature takes any action to increase the total contribution rate in any single year in an amount of two percent (2%) or less during the term of this Agreement, the County will pay one-half of the increase, up to one percent (1%), and the employee’s salary will be reduced by one-half of the increase, up to one percent (1%). However, the County will increase the employee’s salary on the effective date of the reduction in salary in an amount equal to the reduction made to the employee’s salary.

2. If PERS or the Nevada State Legislature takes any action to increase the total contribution rate in any single year in an amount that exceeds two percent (2%) during the term of this Agreement, the County will pay one-half of the increase, and the employee’s salary, as well as the salary range, will be reduced by one-half of the increase. However, the County will increase the employee’s salary, as well as the salary range, by one percent (1%) on the effective date of the reduction.

3. The County agrees to pay the entire amount of any increase in the contribution rate effective July 1, 2023. If employee wages and/or the salary schedule must be decreased to pay for any portion of the contribution rate increased effective July 1,

3. Certificate of Illness.

Physician certificates may be required by the County when there is an absence in excess of three (3) consecutive days or whenever there is reason to believe that sick leave is being abused or the absence is questionable. An employee may be required to be examined by a physician selected by the County for verification purposes. In the event of family/personal medical leave, the employee will complete the appropriate authorization form supplied by Human Resources in accordance with County policy. Once such accrued sick, annual and CTO leave time is exhausted, the employee will only receive the employee's workers' compensation salary entitlement pursuant to NRS Chapters 616A-D.

During any period of time while the employee is receiving TTD, the employee shall continue to accumulate sick leave and annual leave at the same rate and in the same amounts as if the employee had been working.

H. Sick Leave Buyback.

Association employees shall have the option of participating in the County's annual sick leave buyback program. If any such employee has in excess of 300 hours accrued as of the first paycheck issued in November of each calendar year, the employee shall have the option to cash in up to a maximum of sixteen (16) hours less any sick leave hours used during the year (e.g. 16 hours less 8 hours of used sick leave would equal 8 hours eligible for buyback). When long-term LWOP is granted, the Sheriff or designee will formally notify Human Resources of such action in writing.

The employee must make their reserve status known to the County yearly and must provide as much advance notice as the employee can regarding any known reserve obligations to those responsible for staffing. Employees will provide a minimum of thirty (30) days' advance notice except during times of military conflict or other emergency activations when such notice is impossible or unreasonable based on the guidelines set forth through the Uniformed Services Employment and Reemployment Rights Act, as amended.

B. Promotional Probation.

Upon promotion to a classification with a higher pay grade, a County employee represented by the Association must serve the equivalent of twenty-six (26) biweekly full pay periods of full-time service as a probationary period, during which time the employee may be returned to the employee's previous job classification without cause or right of appeal, at the sole discretion of the Sheriff, if a vacancy in said classification exists. An employee who has not successfully completed an initial probationary period in the lower job classification shall not have a right to return to the employee's previous job classification.

ARTICLE 19. EFFECTS OF LAY-OFF

A. Identification of Positions.

If, due to lack of funds, lack of work, for enhanced efficiency, or curtailment of operations, it is necessary to reduce the County work force, the Sheriff or his designee will determine the classes and number of positions to be reduced. All nonpermanent employees of the DCSO shall be laid off before any non-probationary, full-time employees. After the County has notified the employees who are to be laid off, the County will provide a list of such employees to the Association along with the applicable seniority list(s). The Association may request to meet and discuss the layoffs with the County.

B. Seniority Determination.

Seniority for the purpose of a layoff is defined as length of continuous employment within DCSO.

C. Layoff Order.

Employees will be laid off in reverse order of seniority, except the Sheriff has the sole discretion to retain up to two (2) employees who would otherwise be subject to layoff, or bumping as described in subsection E, and lay off the next two (2) employees with greater seniority.

D. Notice.

All regular, non-probationary employees due to be laid off shall be given written notice of such layoff at least thirty (30) calendar days prior to the effective date.

E. Bumping Rights.

In lieu of being laid off, an employee may elect to demote to any pay grade of a lower maximum salary within the job classification represented by the Association as long as the employee demoting has a longer period of continuous employment than an incumbent in the lower job classification with the shortest period of continuous employment with DCSO . An employee being bumped shall be treated as if laid off. An employee retained at the Sheriff's discretion pursuant to subsection C may not be bumped.

F. Posting.

The names of all employees laid off shall be placed on the reemployment list within the DCSO for the job classification involved in reverse order of layoff. Employees shall be recalled in the order in which their names are listed on the reemployment list.

G. Re-employment.

An employee who is re-employed within one calendar year after the employee was laid off will be entitled to the reinstatement of any accrued and unused sick leave the employee had at the time the layoff occurred.

ARTICLE 20. GRIEVANCE PROCEDURE

A. Definitions.

1. "*Grievance.*" A grievance is a claimed violation, misapplication, or misinterpretation of a specific provision of this Agreement, which adversely affects the grievant. The exercise or lack of exercise of County Rights (Article 6) is not grievable by a grievant. Grievances arising out of disciplinary actions are covered by Article 21, Employee Disciplinary Procedures.

2. "*Grievant.*" A grievant is an employee in a classification represented by the Association who is filing a grievance as defined above. Alleged violations, misapplications, or misinterpretations of the Agreement which affect more than one employee in a substantially similar manner, may be consolidated at the discretion of management or the Association as a group grievance and will be represented by a single grievant or the Association. The Association may assert a grievance on behalf of an employee or group of employees in

cases limited to alleged violations of sections which provide specific benefits to the Association under Articles 5, 10, and 27 subject to the specific provisions of Article 20.

3. “Day.” Day means a calendar day.

B. General Provisions.

1. If a grievant fails to carry the grievance forward to the next level within the prescribed time period, the grievance must be considered settled based upon the decision rendered at the most recent step utilized.

2. If a supervisor or manager, or Human Resources Director as appropriate, fails to respond with an answer within the given time period, the grievant may appeal the grievance to the next higher level as if the employee had received a negative answer on the final day of the period available for the management response.

3. The grievant may be represented by a person of his/her choice at any level of this procedure.

4. Time limits and formal levels may be waived by mutual written consent of the parties.

5. Any service must be by certified mail or personal service.

6. A copy of all grievances filed at the Sheriff’s level of this grievance procedure, not being processed by the Association, will be sent to the Association.

C. Process.

1. Informal Level.

Within ten (10) days from the event giving rise to a potential grievance or from the date the employee could reasonably have been expected to have had knowledge of the event, the employee may orally discuss the problem with his/her immediate supervisor, or Human Resources Director as appropriate. A supervisor, or the Human Resources Director, has seven (7) days to give an answer to the employee.

2. Formal Levels.

Level 1: If the grievant is not satisfied with the resolution proposed at the informal level, the employee may, within ten (10) days of receipt of an answer, file a formal written grievance with his/her Division Captain (or designee), or Human Resources Director as appropriate, containing a statement describing the grievance, the section of this Agreement allegedly violated, and remedy requested. The Division Captain (or designee), or Human Resources Director as appropriate, will, within ten (10) days, have a meeting with the grievant and within ten (10) days give a written answer to the grievant.

Level 2: If the grievant is not satisfied with the written answer from the Division Captain (or designee) or Human Resources Director as appropriate, the grievant may, within ten (10) days from the receipt of the answer, file a written appeal to the Undersheriff. Within ten (10) days of receipt of the written appeal, the Undersheriff (or designee) will investigate the grievance, which may include a meeting with the concerned parties, and give written answer to the grievant within ten (10) days. Both parties may agree to waive Level 2 and proceed to Level 3.

Level 3: If the grievant is not satisfied with the written answer from the Undersheriff (or designee), the grievant may, within ten (10) days from the receipt of the answer, file a written appeal to the Sheriff. Within twenty-one (21) days of receipt of the written appeal, the Sheriff, or his/her designee, must investigate the grievance, which may include a meeting with the concerned parties, and give a written answer to the grievant within ten (10) days. The answer is final and binding unless, within fourteen (14) days, the grievant notifies the County Manager of the grievant's intention to appeal the matter to the External Hearing Officer (EHO) as provided for in Article 22.

ARTICLE 21. EMPLOYEE DISCIPLINARY PROCEDURES

A. Basis for Disciplinary Action.

The tenure and status of every Association employee is conditioned on reasonable standards of personal conduct and job performance. Failure to meet these standards will be grounds for appropriate disciplinary action. Disciplinary action is for just cause and may, in addition to the causes set forth in the Personnel ordinances and policies, rules or regulations, be based upon any of the following grounds: Failure to fully perform required duties, insubordination, failure to comply with or abuse of County and DCSO policies or rules, unexcused absences, misuse or abuse of County property or equipment, substandard job performance, commission of a misdemeanor, gross misdemeanor, or felony, and the commission of other acts which are incompatible with service to the public.

B. Types of Discipline.

Three (3) types of discipline are recognized for purposes of applying one of the procedures under this article. They are:

1. *Written Reprimands.* A written reprimand placed in the employee's personnel file by a Division Captain.

2. *Short Suspensions.* Includes any disciplinary suspensions without pay which, when accumulated with previous disciplinary suspensions within the prior twelve (12) month period, if any, does not exceed four(4) shifts .

3. *Severe Disciplinary Action.* Includes discharge, demotion or disciplinary suspensions without pay for more than four (4) shifts within a twelve (12) month prior period.

C. Response to a Written Reprimand.

An employee shall be personally served with a written reprimand. After receiving a written reprimand, the employee may, within fourteen (14) calendar days, submit a written response to the written reprimand. The employee's written response shall be added to the employee's personnel file. The matter is then closed.

D. Notice of Discipline Other than Written Reprimands.

For discipline other than written reprimands, the Division Captain (or designee) is designated by the Sheriff to advise the employee in writing of the proposed disciplinary action.

The written statement of proposed discipline must contain:

1. A description of the factual circumstances supporting the proposed disciplinary action.
2. A description of the employee's misconduct.
3. A statement of the proposed disciplinary action.
4. Notification that the employee may review or make copies of available investigation materials supporting the proposed disciplinary action.
5. Notification that the employee may submit a written response to the proposed disciplinary action and request a meeting with the Division Captain within fourteen (14) calendar days of being personally served with a copy of the written statement of proposed discipline. If requested by the employee, the meeting with the Division Captain will be held at a mutually agreed upon time and place.
6. A statement of the employee's right to representation.

E. Division Captain's (or Designee) Decision.

1. If an employee does not submit a written response and requests a meeting with the Division Captain within fourteen (14) calendar days after being personally served with a copy of the written statement of proposed discipline, then the Captain may impose the proposed disciplinary action. The employee has no further appeal rights.

2. If the employee submits a written response and requests a meeting with the Division Captain, the Division Captain shall meet with the employee and review the basis of the proposed discipline. Following the meeting and a review of the proposed disciplinary action by the Division Captain (or designee), the Division Captain (or designee) will forward the recommendation to the management representative to make a decision in the form of a signed statement indicating, if applicable, the decision based on the employee's response and, if the proposed action is to be implemented, the specific charges against the employee and the effective date of the action. The decision will be served on the employee by certified mail or personal delivery. The limited nature of this response does not change Management's authority to initiate further investigation if the employee's version of the facts raises doubts as to the accuracy of the supervisor's information leading the proposed discipline.

F. Appeal from a Short Suspension.

An employee receiving a short suspension, as defined in Paragraph B.2 above, can appeal the short suspension to the Sheriff by filing a written appeal. The written appeal must be filed with the Sheriff within fourteen (14) calendar days of being personally served with the Division Captain's final written decision pursuant to Paragraph E.2 above. The Sheriff shall hear the appeal and issue a final and binding decision promptly in the normal course of business. The employee has no further appeal rights.

Nothing in this Agreement prevents the DCSO from instituting the proposed discipline prior to the date of the meeting contemplated in Paragraph E.2 above, but if the discipline is overturned or reduced, the employee must be made whole for any time actually suspended beyond that which is approved by the Division Captain (or designee) or the Sheriff.

G. Appeal from a Severe Disciplinary Action.

An employee receiving a proposed Severe Disciplinary Action as defined in Paragraph B.3 above has the opportunity to appeal that disciplinary action as described below.

1. If the employee submits a written response and requests a meeting with the Division Captain in accordance with Paragraph E.2 above, the Division Captain's final written decision imposing a Severe Disciplinary Action shall be forwarded to the Douglas County Disciplinary Review Board ("DRB") for review pursuant to DCSO Policy Chapter 4.400 – Personnel Complaints and Investigations. The Undersheriff (or designee of the Sheriff) will personally serve on the employee a Notice of Disciplinary Action issued by the DRB signed by the Undersheriff (or designee) indicating the DRB's decision. If a Severe Disciplinary Action is imposed, the DRB notice must clearly inform the employee that the employee, through the Association, has the right, within ten (10) calendar days after receipt of the notice, to request in writing an appeal hearing before the Sheriff or his/her designee. The appeal request must be filed by the Association with the Human Resources Director.

2. If, within the ten (10) calendar day appeal period the Association does not file the appeal, the decision of the DRB is conclusive, and the matter shall be closed with no further appeal rights.

3. If, within the ten (10) calendar day appeal period, the Association files a notice of appeal by giving to the Human Resources Director written notice of appeal, then the Human Resources Director will set a time for an appeal hearing before the Sheriff or his/her designee. The hearing must be held within ten (10) calendar days of the date of filing the notice of appeal, or other time mutually agreed to by the parties, and a written decision must be made by the Sheriff or designee within ten (10) calendar days after the hearing and personally served on the employee.

4. If the Association files a notice of appeal within ten (10) calendar days of service of the decision of the Sheriff or his/her designee by giving to the Human Resources Director written notice of appeal, an External Hearing Officer (EHO) must be mutually selected by the parties. The EHO must be selected no more than sixty (60) calendar days from the date of the filing

of the appeal. The hearing before the EHO must occur at a date and time mutually selected by the parties.

5. All EHO hearings are private. However, the appellant may request that a hearing be opened to the public.

6. The EHO hearing must be conducted in a manner most conducive to determinations of the truth and NRS 233B.123 will be used by the EHO as a guide in ruling on evidentiary matters.

7. Each party has these rights in the EHO hearing: to be represented by legal counsel or other person of his/her choice; to call and examine witnesses on any matter relevant to the issues, to introduce exhibits, to cross-examine opposing witnesses on any matter relevant to the issues even though the matter was not covered on direct examination; to impeach any witness regardless of which party first called the witness to testify; and to rebut the evidence against the party. If the respondent does not testify on the respondent's own behalf, the respondent may be called and examined by the Sheriff's representative as if under cross-examination. Every witness shall declare by oath or affirmation that the witness will testify truthfully.

8. During the examination of a witness, all other witnesses, except the parties, will be excluded from the hearing upon motion of either party.

9. The EHO shall determine whether to sustain, reject, or modify the action demoting, suspending, or discharging the employee. The determination of the EHO is final.

10. The mutually incurred costs for the EHO procedure will be divided equally between the County and the Association.

ARTICLE 22. EXTERNAL HEARING OFFICER

A. Designation.

The External Hearing Officer (EHO) shall be selected from a list maintained by the Federal Mediation and Conciliation Service and the parties will use that service.

B. Costs.

The fees and expenses of the EHO and of a court reporter, if used, shall be shared equally by the Association and County. Each party shall bear the cost of its own presentation including preparation and post-hearing briefs, if any. If either party rejects the EHO's decision as evidenced by overturning it or unsuccessfully seeking relief in Court to have it vacated or modified, the parties understand and agree that the party rejecting the EHO's decision is required to pay all neutral costs incurred through the EHO process.

C. Effect of Decision.

Except as provided in Article 21, Section G(9), the decisions of an EHO on matters properly before him/her shall be advisory to the Board of County Commissioners. Within sixty (60)

days of receipt of the EHO's recommendation, the Board shall make a final decision on the advisory report of the EHO.

D. Authority of the EHO.

No EHO shall entertain, hear, decide, or make recommendations on any dispute unless such dispute involves an eligible employee in the Association and such dispute also falls within the definition of a grievance as set forth in Article 20, Section A(1) (Grievance Procedure), and has been processed in accordance with all provision thereof and herein.

No EHO shall have the power to amend or modify a negotiated agreement or addenda supplementary thereto or to establish any new terms or conditions of employment.
